Re: Ombudsman Toronto

Report on the Results of Applying Specified Auditing Procedures to Financial Information Other Than Financial Statements for the Year Ended December 31, 2020.

To Toronto City Council:

This letter has been prepared at the request of Toronto City Council to obtain assurance that expenditures incurred by the Ombudsman Toronto (OM) are in compliance with the applicable policies and procedures, including appropriate exercise of delegated authorities as set by the City of Toronto.

We have performed the auditing procedures as described below. This agreed-upon procedures engagement was performed in accordance with standards published by Chartered Professional Accountants of Canada. The sufficiency of these policies, procedures and delegated authorities is solely the responsibility of the City of Toronto. Consequently, we make no representation regarding the sufficiency of the City of Toronto policies, procedures and delegated authorities described below.

For the purpose of this letter, the financial information to which the auditing procedures were applied was included within the City of Toronto SAP report, "Actual Cost Line Items for Cost Centres for the Year Ending 2020" for the OM. This report is essentially a General Ledger detailing the transactions that have been posted under the cost elements which in turn comprise the scope of the transactions subject to audit. The report was provided directly to us by staff of the City Clerk's Office.

We were provided directly from the City Clerk's Office, the Policy Applicability Matrix (Matrix) that linked each Cost Element above with the applicable City of Toronto policies and procedures below:

- Vacation
- Kilometrage Reimbursement for use of Personal Vehicle for City business
- Lieu time
- Training and Development

- Divisional Purchase Orders (DPOs)

- Petty Cash Policy and Procedures (including Penny Elimination Policy)
- Purchasing Card (PCard) Program

To further clarify, the Quotation Request identified the delegated authorities as follows:

- Chapter 71, Financial Control
- Chapter 195, Purchasing
- Chapter 217, Records, Corporate (City)
- Chapter 257, Signing Authority (spending authority set at the level of a Division Head)

In addition, the Quotation Request identified the policy framework for the City's Accountability Officers, codified in the Toronto Municipal Code, Chapter 3, "Accountability Officers", which reinforces both their arms-length relationship to the City and their independent status within the City's governance system. As part of the implementation of Chapter 3, Accountability Officers are required to comply with all applicable City by-laws, policies and procedures while maintaining their balance between accountability and independence.

Copies of the above City of Toronto policies and procedures and web-links to the City of Toronto related delegated authorities were provided by the City Clerk's Office.

We selected a statistical sample of transactions to be tested based on the number of entries in each Cost Element and examined those transactions for compliance with the applicable policies and procedures of the Matrix, including appropriate exercise of delegated authorities with underlying supporting documents for adherence to the policies, procedures and delegated authorities noted above.

As a result of applying the above procedures, we found no exceptions to the adherence to the policies, procedures and delegated authorities as they applied to our test sample.

It should be understood that we make no representations as to the sufficiency for your purposes of the procedures as described in the preceding paragraphs. Further we have addressed ourselves solely to the report, which we received directly from the City Clerk's Office of the City of Toronto and make no representations as to whether any material items were omitted. Our procedures do not constitute an audit of the report and therefore we express no opinion on the report.

This letter is provided solely for the purpose of determining compliance with the Section 3-8B of the City of Toronto's Municipal Code and should not be used for any other purpose.

Any use that a third party makes of this letter, or any reliance or decisions made based on it, are the responsibility of such third party. We accept no responsibility for loss or damages, if any, suffered by any third party as a result of decisions made or actions taken based on this letter.
